INDEPENDENT AUDITORS' REPORT

To the Audit Committee of Caminar (A California Nonprofit Public Benefit Corporation) San Mateo, California

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Caminar (a California nonprofit public benefit corporation), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Caminar as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caminar and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caminar's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 Caminar's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caminar's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The identify accompanying supplementary information such as the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. GAAS. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 21, 2023 on our consideration of Caminar's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Caminar's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Caminar's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Caminar's June 30, 2022, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 17, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

BPM LLP

San Jose, California November 21, 2023

Notes to Financial Statements

June 30, 2023

1. Organization

Caminar (the "Organization"), headquartered in San Mateo, California, is a nonprofit public benefit corporation with nearly 60 years of experience. Last year, Caminar transformed the lives of more than 14,000 youth and adults across San Mateo, Santa Clara, San Francisco, Solano and Butte counties. Driven by compassion, science and its understanding of root causes, Caminar delivers high-quality education, prevention, treatment, and recovery services to those with complex mental health, substance use, and co-occurring needs. Caminar understands that quality behavioral health outcomes occur when a person is supported in all their basic human needs, and it actively partners with its clients and the community to address the social determinants of health that lead to sustained well-being. Caminar is here to empower and support the most vulnerable members of our community to move toward resilience, wellness, and independence.

Most program beneficiaries, referred to as clients, come from low- and very low-income households, and many are homeless at the time of their referral. Clients typically face multiple barriers and stressors that co-occur with, and/or result from, their behavioral health conditions. These co-occurring conditions include serious medical problems, histories of trauma, legal issues, unstable housing, family violence or abuse, lack of income and resources, and inadequate or non-existent social supports.

Through its diverse and growing portfolio of programs, Caminar seeks to prevent and to alleviate underlying issues affecting the overall health and wellness of individuals, families, and communities. The Organization's activities are described as follows:

Education services seek to address the social and community barriers to wellness by organizing and participating in events focused on creating environments that embody the values of equity, diversity, and inclusion; reducing the social stigma of mental illness; sharing stories of recovery; and providing extensive outreach and education services.

Prevention services aim to prevent the onset of behavioral health issues and to intervene early when symptoms emerge. Research shows that the interconnected nature of health factors means that effective prevention in one area can have a positive effect in another area. For example, improving mental health may reduce the risk of substance abuse. The Organization's prevention services include school-based youth and family support services, the Healing and Reduction of Trauma in Schools ("HARTS") trauma-informed schools initiative, family violence and abuse prevention programs, and LGBTQ (lesbian, gay, bisexual, transgender, queer) youth and young adult wellness and peer support programming.

Treatment and intervention services provide expert, individualized assistance for youth and adults coping with mental health and/or substance use disorder and related needs. Clinicians tailor treatment and supportive services to clients' individual needs, so that clients may stabilize from a crisis, learn to manage their conditions, and make progress toward their goals. The Organization's treatment services include crisis residential treatment, individual and family therapy, mental health case management, domestic violence survivor services, and residential and outpatient substance use treatment.

Recovery services provide critical support to empower individuals and families on their recovery journeys. Programs teach and model wellness tools and skills, strengthen connections with personal support networks, and address factors that influence stability and wellness. Recovery services include supported housing, supported education, supported employment (Jobs Plus), and peer support programming.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

1. Organization, continued

Several of the Organization's programs are accredited by the internationally recognized accrediting body Commission for the Accreditation of Rehabilitation Facilities ("CARF"). CARF's mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. As an accredited service provider, the Organization has met high accountability standards and demonstrated conformance to internationally accepted standards that promote excellence. The Organization has achieved this accreditation in the areas of Assertive Community Treatment, Case Management/Services Coordination, Crisis Stabilization, Community Integration, Community Employment Services (Job Development, Employment Supports and Planning Services), and Residential Treatment (Mental Health).

The Organization also operates social enterprises, which raise funds to reinvest in the Organization's mission. These enterprises include a concierge style behavioral health division (Olivos), housing complexes, and client-operated businesses which are located in Butte County.

More information about programs and their outcomes are available at www.caminar.org.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Measure of Operation

The Organization includes in its measure of operation all support and revenue and expenses that are an integral part of its programs and supporting activities. The measure of operations (change in net assets from operations) does not include other non-operating income that took place during the current year.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

The Organization receives payments from San Mateo County to provide mental health services to its eligible residents. Management estimates the amount of revenue at the time reimbursement reports are submitted to the County. Amounts received in excess of the estimated revenue amount are reported as refundable advances. The refundable advance is adjusted to reflect the surplus amount, if any, of the contract that is approved to be carried over into the following year.

Subsequent to the end of the year, the Organization prepares a cost report for all costs during the fiscal year and receivables are adjusted at the time of annual reconciliation.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

2. Summary of Significant Accounting Policies, continued

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets, as applicable: without donor restriction and with donor restriction.

Net Assets Without Donor Restrictions – includes the operating fund and board designated funds. These funds record the net assets over which the Board of Directors has discretionary control and which are used to carry out operations of the Organization in accordance with its bylaws.

Net Assets With Donor Restrictions – includes resources currently available for use, but expendable only for those operating purposes specified by the donor or funding source. The Organization does not imply a time restriction on gifts of long lived assets. Resources of this fund originate from gifts, grants and bequests.

Cash and Cash Equivalents

Cash is defined as cash in demand deposit accounts as well as cash on hand. Not included as cash are funds restricted as to their usage, regardless of liquidity. The Organization occasionally maintains cash on deposit at banks in excess of the Federal Deposit Insurance Corporation limit. Management does not believe the Organization is exposed to any significant risk on cash accounts. Cash equivalents represent money market funds or short-term investment with original maturities of three months or less from the date of purchase.

Investments

Investments are stated at fair value based on quoted market prices provided by investment managers. Dividends and interest are accrued as earned and recorded as unrestricted revenue unless income is restricted by the donor.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

U.S. GAAP establish a hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair value determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the asset based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the Organization's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

2. Summary of Significant Accounting Policies, continued

Fair Value Measurements, continued

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

Level 2 – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Organization's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The Organization did not have any Level 3 assets or liabilities as of June 30, 2023.

Government Contracts and Program Service Fees Receivable

Receivables arise principally from charges to funding sources for current expenses. The Organization reviews accounts receivable on an ongoing basis to determine collectability. Balances that are determined to be uncollectible are written off against the allowance for doubtful accounts. The Organization recorded an allowance for doubtful accounts of \$33,952 as of June 30, 2023.

Government Cost Reports Receivable

The Organization enters into an annual contract with the County of San Mateo to provide mental health services to its eligible residents. The estimated billing in excess of costs to be reimbursed is recorded as a refundable advance. Any costs in excess of billings are recorded as government cost reports receivable. At the end of a contract year, the Organization determines an estimate of allowable costs that they believe will be reimbursed and submits it to the County. An analysis is completed by the County during which a computation of a Maximum Allowable Reimbursement ("MAR") is completed. The MAR is computed based on the units of service and the allowable cost per unit. Once the determination is received from the County, the Organization adjusts the refundable advance or government cost reports receivable accordingly. If the MAR exceeds the costs, the reimbursed revenue is recognized and the surplus is applied to the following year as a refundable advance. If the cost exceeds the MAR, the reimbursed revenue is recognized as a receivable related to the County contract.

As of June 30, 2023, the Organization had a receivable of \$589,019 from San Mateo County for services performed in fiscal years 2011-2015 and is in ongoing negotiations to reach a final settlement. The most recent discussion related to this receivable was in 2017.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

2. Summary of Significant Accounting Policies, continued

Government Cost Reports Receivable, continued

The Organization distinguishes certain Medi-Cal related contracts as a separate class of receivables due to the unique billing and settlement process, which can take more than a year to finalize. The Organization is in settlement process with the County of Santa Clara for its fiscal year contracts from 2008 through 2020. The Organization only bills for services which are allowed in accordance with the terms of the applicable contracts; however, an allowance is set to reflect the Organization's expectation on final settlement. As of June 30, 2023, the Organization considers the net account receivable related to these contracts of \$1,426,195 to be fully collectable.

As of June 30, 2023, the Organization has \$2,031,083 recorded as long-term government cost reports receivable.

Property and Equipment, Net

Property and equipment, net are stated at cost of acquisition or construction or at fair value if donated. The cost of maintenance and repairs are charged to expense as incurred. Depreciation is based on the straight-line method over the estimated useful lives of the assets.

The Organization capitalizes and depreciates significant assets with values of \$5,000 or more. However, certain assets, such as flooring replacements, furniture and equipment, that usually have useful lives longer than one year are frequently replaced, and are expensed accordingly. The useful lives of the assets are estimated as follows:

Building and improvements	7 to 40 years
Leasehold improvements	5 to 10 years
Household furnishings and equipment	5 to 7 years
Office furniture and equipment	5 years
Vehicles	5 to 10 years

Refundable Advances

The Organization recognizes support and revenue in the form of conditional contributions. As of June 30, 2023, the refundable advances balance represents advanced payments received from various government agencies. These amounts will be recognized when the conditions are met.

Forgivable Loans

In previous years, the Organization received forgivable loans which were used for the development of certain projects. These loans will be forgiven as long as the Organization complies with certain terms and conditions of the loan throughout the loan term. If these conditions are not met, the monies would have to be repaid in full with accrued interest at varying interest rates. These loans are accounted for as contributions with donor restriction when received, because the funds carry with them a restriction for the number of years the property must be used for housing. Management believes they will be able to comply with the terms and conditions of these loans throughout the loan terms (see Note 14 for additional details).

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

2. Summary of Significant Accounting Policies, continued

Revenue Recognition

Contributions, Donations, and Private Grants

Contribution revenue is recognized when contributions are received or promised. All contributions are considered available for general operations unless specifically restricted by the donor.

The Organization reports contributions as donor restricted if such contributions are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, donor restricted net assets are reclassified as net assets without donor restrictions and reported as net assets released from restrictions.

Government Contracts

The Organization receives government awards and has determined that the asset transfers are contributions, as the resource provider does not receive commensurate value in exchange for the assets transferred. A contribution is considered to be conditional when one or more barriers exist and the right to receive or retain payment or delivery of the promised asset is conditioned on meeting those barriers. The awards are considered conditional contributions due to the limited discretion as result of the specific requirements on how the assets may be spent. The majority of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Conditional contributions with conditions met and restrictions released in the same period are recorded as contributions without donor restrictions. Amounts received prior to incurring qualifying expenditures for which a barrier and right to return exist are reported as refundable advances in the statement of financial position. As of June 30, 2023, approximately 84% of the Organization's funding came from governmental contracts.

Program Service Fees

The Organization recognizes revenue in accordance with the five-step revenue recognition model; the Organization recognizes revenue when control of promised facilities or services is provided to customers in an amount that reflects the consideration to which the Organization expects to be entitled to in exchange for using those facilities or services.

The Organization determines revenue recognition through the following steps:

- · Identification of the contract, or contracts, with a customer;
- · Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract; and
- Recognition of revenue when, or as, a performance obligation is satisfied.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

2. Summary of Significant Accounting Policies, continued

Revenue Recognition, continued

Program Service Fees, continued

Program service fees include private grants, resident contributions, affordable housing income, and social venture income. Each service includes only one performance obligation that is satisfied simultaneously as clients receive the services at a point in time. For certain contracts, the Organization is required to charge a variable fee based on a determination of the ability to pay. In the event that a client may have access to other resources, such as insurance, the full fee portion is billed to the third-party payer. If the amount billed to the third-party payer is subsequently determined to be uncollectible, either in whole or in part, the unpaid balance is written off.

The Organization's contracts do not include highly variable components. The timing of revenue recognition, billings, and cash collections can result in billed accounts receivable, unbilled receivables (contract assets), and refundable advances (contract liabilities). The Organization had no unbilled receivables for the year ended June 30, 2023. All of the Organization's performance obligations for the year ended June 30, 2023 were satisfied and recorded at a point in time in the same reporting period.

Special Events

The Organization conducts two special events per year – In Concert with Caminar and Caminar's Speakers Series. The donation revenue is recognized when the money is received for the current year's event. If amounts received are for a future year's event, the Organization will record unearned revenue. For special events conducted solely as fundraising activities, special event costs are reported as direct benefits to donors. All other direct and indirect costs are reported as fundraising expenses when incurred.

Fundraising Costs

Fundraising costs are expensed as incurred.

Donated Goods and Services

Donated goods are recorded at their estimated fair value as of the date of the donation. Donated services, which require a specialized skill and which the Organization would have paid for if not donated, are recorded at the estimated fair value at the time the services are rendered. The Organization also receives donated services that do not require specific expertise, but which improve the efficiency of the Organization's operations. The value of these donated services is not reflected in the financial statements.

Functional Expense Allocation

Directly identifiable expenses are charged to program and support services. Expenses related to more than one function are charged to program and supporting services based on actual employee time incurred and on usage of resources.

The costs of providing program services and supporting services are summarized on a functional basis in the statement of activities and statement of functional expenses. Certain costs are allocated among program services and supporting services based on actual employee time incurred and on usage of resources.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

2. Summary of Significant Accounting Policies, continued

Income Taxes

The Internal Revenue Services has determined that the Organization is exempt from federal income taxes under Section 501(c)(3)of the Internal Revenue Code. The Franchise Tax Board has determined that the Organization is exempt from state income taxes under Section 23701d of the California Revenue Taxation Code. Accordingly, no provision for income taxes have been made in the accompanying financial statements. However, income from activities not related to the Organization's tax-exempt purpose may be subject to taxation as unrelated business income.

Recent Accounting Pronouncements - Adopted

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, Leases (Topic 842) ("ASU 2016-02" or "ASC 842"). The FASB has subsequently issued several related ASUs that clarified the implementation guidance for certain aspects of ASU 2016-02, which were effective upon the adoption of ASU 2016-02. The amendments in this ASU related to the accounting for leasing transactions. ASC 842 requires lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all operating and finance leases (with the exception of short-term leases based on the practical expedient elected by the Organization) at the lease commencement date, whereas only finance leases were required to be recognized on the balance sheet under the previous guidance in ASC 840, and recognize expenses on the income statement in a similar manner to the previous guidance in ASC 840. The lease liability is measured as the present value of the unpaid lease payments and the right-of-use asset is derived from the calculation of the lease liability adjusted for initial direct costs, prepaid lease payments, and lease incentives. Lease payments include fixed and in-substance fixed payments, variable payments based on an index or rate at lease commencement. Lease payments do not include variable lease payments other than those that depend on an index or rate measured at lease commencement. The discount rate used to derive the present value of unpaid lease payments is based on the rates implicit in the lease, or if not available, the risk free rate.

The most significant impact of ASC 842 on the Organization's accounting was the balance sheet impact of its existing leases, which increased assets and liabilities. The Organization elected the package of practical expedients available under the transition provisions of ASC 842, including (i) not reassessing whether expired or existing contracts contain leases, (ii) lease classification, and (iii) not revaluing initial direct costs for existing leases. Also, the Organization elected the practical expedient which allows aggregation of non-lease components with the related lease components when evaluating accounting treatment for property and equipment leases. Lastly, the Organization applied the modified retrospective adoption method, utilizing the simplified transition option available in ASC 842, which allows entities to continue to apply the legacy guidance in ASC 840, including its disclosure requirements, in the comparative periods presented in the year of adoption. The Organization adopted ASC 842 on July 1, 2022 which resulted in the recognition of operating right-of-use assets totaling \$8,158,109, as well as operating lease liabilities totaling \$8,155,194. There was no cumulative effect adjustment to the opening balance of retained earnings required

Notes to Financial Statements

June 30, 2023

3. Liquidity and Availability

The Organization has \$8,855,953 of financial assets available to meet cash needs for general expenditures over the next twelve months. Assets consists of cash, receivables and short term investments. None of these financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the date of financial statements.

Financial assets available for operations as of June 30, 2023:

Cash and cash equivalents	\$ 2,157,030
Government contracts and program service fees	
receivable, current	6,786,472
Investments	54,854
T / 1	0.000.050
Total	8,998,356
Less: net assets with donor purpose restriction (Note 10)	 (142,403)
	\$ 8,855,953

The Organization receives significant funding (84% of total revenue) from government contracts each year. The payment term for the majority of the government contracts is 45 days. The Organization strives to maintain financial assets sufficient to cover 45 days of general expenditures (approximately \$6.1M). The Organization has \$8,855,953 of financial assets plus \$3,000,000 of line of credit for a total of \$11,855,953 available to meet cash needs for general expenditures as of June 30, 2023. Financial assets consists of cash, receivables and short-term investments. None of these financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the date of financial statements other than as shown in the table above.

4. Fair Value Measurement – Cash and Cash Equivalents and Investments

The following table summarizes the Organization's financial assets measured at fair value on a recurring basis:

Assets at Eair Value as of June 20, 2022

		A	sseis ai F	air value	as or Jur	ie 30, 202	23	
	Level 1		Level 2		Level 3		Total	
Assets:	<u> </u>							
Money market funds	\$	52,317	\$	-	\$	-	\$	52,317
Certificate of deposit		-	2,1	13,669		-	2	2,113,669
Foundation pool funds				2,537				2,537
	\$	52,317	\$ 2,1	16,206	\$	_	\$ 2	2,168,523

The Organization's valuation methodologies used for assets measured at fair value is a market approach. Fair values for assets in Level 2 are calculated using amortized cost which approximates fair value. There were no changes in methodologies used from year to year.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

5. Receivables

Receivables consisted of the following as of June 30, 2023:

Government contracts and program services fee receivables:	
Government contract receivables	\$ 6,670,832
Program service fee receivables	22,092
Allowance for doubtful accounts on program receivables	(33,952)
Pledges receivables	127,500
Total government contracts and program services fee	
receivables, net	6,786,472
Government cost reports receivables:	
Santa Clara County	2,509,484
Allowance for doubtful accounts on Santa Clara County	
cost reports, net	(1,083,289)
San Mateo County contract receivables, net	589,019
Solano County contract receivables, net	15,869
Total government cost reports receivables	2,031,083
Total receivables	\$ 8,817,555

The government contracts receivables are related to various governmental contracts. As of June 30, 2023, the Organization considers the account receivable related to these contracts to be fully collectable within one year.

6. Property and Equipment, Net

Property and equipment, net consisted of the following as of June 30, 2023:

Land	\$ 15,227,121
Buildings and improvements	12,393,024
Furniture and fixtures	602,871
Vehicles	655,006
Leasehold improvements	636,178
Software	347,725
Less: accumulated depreciation and amortization	29,861,925 (6,161,021)
Total property and equipment	\$ 23,700,904

Depreciation and amortization expense was \$473,989 for the year ended June 30, 2023.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

7. Notes Payable

Notes payable are secured by the property (unless otherwise noted) and consisted of the following as of June 30, 2023:

248 Redwood Avenue

San Mateo County loan, in the original amount of \$30,000, bears simple interest of 3% per annum, and has no payment required until April 2034 when the loan matures. The note is secured by a Deed of Trust.

\$ 30,000

Hawthorne House

San Mateo County loan, in the original amount of \$275,000, non-interest bearing and matured on May 19, 2022. No payments are to be made during the term of the loan. The note is secured by a Deed of Trust. Caminar and the lender are currently in discussions regarding the loan payment or forgiveness acceptance and, as such, this loan is classified as current.

275.000

San Mateo County loan, in the original amount of \$125,000, non-interest bearing and matured on May 19, 2022. No payments are to be made during the term of the loan. The loan is secured by a Deed of Trust. Caminar and the lender are currently in discussions regarding the loan payment or forgiveness acceptance and, as such, this loan is classified as current.

125,000

San Mateo County loan, in the original amount of \$90,000, non-interest bearing and matured on March 27, 2022. No payments are to be made during the term of the loan. The note is secured by a Deed of Trust. Caminar and the lender are currently in discussions regarding the loan payment or forgiveness acceptance and, as such, this loan is classified as current.

90,000

San Mateo County loan, in the original amount of \$15,288, non-interest bearing and matured on March 27, 2022. No payments are to be made during the term of the loan. The note is secured by a Deed of Trust. Caminar and the lender are currently in discussions regarding the loan payment or forgiveness acceptance and, as such, this loan is classified as current.

15,288

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

7. Notes Payable, continued

County of San Mateo - Department of Housing

Project 90, which has merged with the Organization, obtained a loan from San Mateo County Department of Housing that is non-interest bearing and for the period of October 1, 2016 to September 30, 2046. No payments are to be made during the term of the loan. The note is secured by a Deed of Trust. Upon maturity of the note or due to acceleration of the note upon sale or default, any proceeds from the payment of the note shall be disbursed to the County according to its beneficial interest in the property.

2,222,386

Heritage Bank of Commerce

In December 2017, the Organization refinanced the 375 Cambridge Avenue Palo Alto property with Heritage Bank, in the original amount of \$920,000 that will mature on January 2, 2028. The interest rate is 4.25%. The loan is secured by real property and a Deed of Trust.

718,780

In October 2018, the Organization refinanced the 792 S. 3rd Street San Jose property with Heritage Bank, in the original amount of \$600,000, bearing interest at 5.98%. Monthly principal and interest payments of \$3,891 are due until October 17, 2028, at which time an estimated final principal and interest payment of \$456,467 will be due. The loan is secured by a Deed of Trust.

543,205

In October 2018, the Organization refinanced the 137 Elm St. San Mateo property with Heritage Bank, in the original amount of \$900,000, bearing interest at 5.98%. Monthly principal and interest payments of \$5,836 are due until October 17, 2028, at which time an estimated final principal and interest payment of \$684,701 will be due. The loan is secured by a Deed of Trust. The Organization was able to remain in compliance with financial covenants.

815,596

Total notes payable Current portion of notes payable 4,835,255 (572,270)

Notes payable, net of current portion

\$ 4,262,985

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

7. Notes Payable, continued

The Organization has several financial covenants related to their Heritage Bank loans. The Organization was in compliance or received a waiver for these covenants as of June 30, 2023.

Principal payments on notes payable for the next five years and thereafter are estimated as follows as of June 30, 2023:

Year ending June 30:	
2024	\$ 572,270
2025	70,547
2026	74,307
2027	78,273
2028	1,787,473
Thereafter	2,252,386
	\$ 4,835,255

8. Line of Credit

The Organization has a loan agreement with a bank for a revolving line of credit with an authorized limit of \$3,000,000 maturing on July 2, 2024. The outstanding principal bears an interest rate of Prime Rate plus 0.25% (currently 5.00%) and is secured by a Deed of Trust. There was no balance outstanding as of June 30, 2023.

9. Refundable Advances

Government awards are considered to be conditional contributions as the right to retain payment is conditioned on meeting certain barriers. These barriers include the limited discretion in how the awards may be spent. Conditional contributions are recognized in the period in which the Organization spends the award funds on qualifying expenses. The refundable advance balance of \$2,259,591 represents grant awards received in advance, in which the conditions have not yet been met as of June 30, 2023.

Conditional grants received by the Organization that have not been recognized as of June 30, 2023, because the required conditions have not yet been met, consisted of the following as of June 30, 2023:

Cost reimbursement based on hours worked and		
expense incurred	\$	15,974,397
Fee For Service - Per diem based on clients served		15,671,805
	<u> </u>	31.646.202
	Ψ	01,040,202

These signed grant agreements can be cancelled by the grantor with 30 days' notice to the Organization.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

10. Net Assets With Donor Restrictions

Net assets with donor restrictions consisted of the following as of June 30, 2023:

Purpose restricted:	
Coordinated Entry	\$ 100,000
COVID Relief Fund	3,297
Solano Programs	39,106
Total purpose restricted	142,403
Time restricted - forgivable loans	 804,655
Total restricted net assets	\$ 947,058

The following net assets were released from restrictions during the year ended June 30, 2023:

Santa Clara Programs	\$ 1,090,682
San Mateo Programs	261,820
All Programs	107,753
Forgivable Loan - Time restricted	194,000
Solano Programs	213,401
COVID Relief Fund	8,231
Total restricted net assets released	\$ 1,875,887

11. Donations In-kind

Donations in-kind consisted of the following as of June 30, 2023:

	-	Revenue cognized	Program / Activity Utilization	Donor Restrictions	Valuation Techniques and Inputs
Food	\$	239,602	San Mateo and Santa Clara Programs	None	Valuations were provided by Second Harvest of Silicon Valley in Annual Valuation Letters
Goods		452	All Programs	None	Invoice indicating the value of in-kind donation
Services		4,980	All Programs	None	Invoice indicating the value of in-kind donation

\$ 245,034

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

12. Leases

Operating Leases

The Organization evaluates current contracts to determine which meet the criteria of a lease. The ROU assets represent the Organization's right to use the underlying assets for the lease term, and the lease liabilities represent the Organization's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, which arise from operating leases, are calculated based on the present value of future lease payments over the lease terms. The Organization has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments.

The Organization enters into leasing transactions in which they are the lessee. On June 30, 2023, the amount of ROU assets is comprised of \$10,565,162 worth of operating leases.

The Organization's lease contracts are generally for real estate leases for apartments units, office spaces; and office equipment and motor vehicles with remaining lease terms ranging from 1 to 4 years. The Organization's lease agreements do not contain any residual value guarantees or material restrictive covenants. Leases with an initial term of 12 months or less are not recorded on the balance sheets and the Organization recognizes lease expense for these leases on a straight-line basis over the lease term.

The components of lease expense for the year ended June 30, 2023 were as follows:

Fixed lease expense	\$ 1,672,907
Short-term lease expense	 883,652
Total lease expense	\$ 2,556,559
ROU assets for June 30, 2023 are presented in the following table:	
Right-to-use assets Accumulated amortization	\$ 12,027,834 (1,462,672)
	\$ 10,565,162
Weighted-average remaining lease term (years) Weighted-average discount rate	3 4.7%

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

12. Leases, continued

Operating Leases, continued

The future maturities of lease liabilities are presented for the fiscal years ending June 30:

Year ending June 30:	
2024	\$ 2,487,527
2025	2,166,560
2026	1,849,459
2027	1,568,588
2028	1,297,156
Thereafter	 3,090,646
	12,459,936
Less: effects of discounting	 (1,791,938)
Total	\$ 10,667,998
Total operating lease liability Less: current portion	\$ 10,667,998 (2,155,315)
Operating lease, long term	\$ 8,512,683

Reimbursable Leases and Guarantees

The Organization has monthly leases and guaranteed lease payments in connection with its Satellite Housing programs. Under these programs, the Organization either leases the apartments directly or guarantees the rental of leases undertaken by the participants. The Organization receives full reimbursement for rentals from the participants and/or from various government and private supportive housing programs. Most leases are on a month-to-month basis.

Total rents paid for and collected from clients before such participant reimbursements as of June 30, 2023 were as follows:

Amount collected	\$ 634,931
Amount paid	\$ 1,932,585

13. Employee Benefit Plans

The Organization sponsors a 401(k) plan (the "Plan"). Eligible employees may participate on the first of the month following date of hire and are match eligible after one year of service. Employees are vested as to employer contributions and earnings thereon after two additional years of service. Once an employee completes one year of employment, the Organization matches 100% of the employee's contribution up to 4% of their salary/wages. The Organization contributed \$467,454 to the Plan for the year ended June 30, 2023.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

13. Employee Benefit Plans, continued

Additional discretionary amounts may be contributed on an annual basis. For the year ended June 30, 2023, the Organization did not contribute additional discretionary amounts to the Plan.

The Organization is the Plan administrator and owner of a 457(b) Top Hat deferred compensation plan that is available to a group of management or highly compensated employees, and was effective November 1, 2015. All contributions were equal to the amounts by which the participants had reduced their compensation pursuant to the salary Reduction Agreements of the participants. The participants were 100% vested in the balances of the participants' accounts attributable to elective deferrals.

As part of acquisition of Project 90 ("P90"), the Organization assumed a contribution Pension plan. P90 has a qualified, noncontributory defined benefit retirement plan (the "Pension Plan"), which previously covered substantially all of its regular employees. There was an amendment effective June 30, 2006, which froze all future accruals under the Pension Plan. The benefits are based upon a percentage of the average monthly earnings for the three consecutive calendar years proceeding retirement. The benefits are reduced by 50% of the employee's social security benefit. An employee became fully vested upon completion of six years of qualifying service. Non-key employees are entitled to a minimum benefit based upon the average of the highest five consecutive annual salaries, subject to certain restrictions. It is the policy of the Organization to pay all of the Pension Plan costs determined by the actuary necessary to maintain the Pension Plan.

The following tables set forth the Pension Plan's funded status as provided by the consulting actuaries as of June 30, 2023:

Change in projected benefit obligation:	
Benefit obligation as of July 1, 2022	\$ 668,297
Interest cost	28,927
Actuarial loss	33,045
Benefits paid	(45,721)
Projected benefit obligation as of June 30, 2023	\$ 684,548
Change in Pension Plan assets:	
Fair value of assets as of July 1, 2022	\$ 445,393
Actual contributions	4,606
Actual return on Pension Plan assets	36,089
Benefits paid	 (45,721)
Fair value of assets as of June 30, 2023	\$ 440,367

The following table sets forth the Pension Plan's funded status as provided by the consulting actuaries as of June 30, 2023:

Fair value of assets of the Pension Plan	\$ 440,367
Projected benefit obligation	684,548
Funded status	\$ (244,181)
Tanada datad	 (= 1 1, 10 1)

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

13. Employee Benefit Plans, continued

Amounts recognized in the statement of financial position were as follows as of June 30, 2023:

Pension liability	\$	244,181
-------------------	----	---------

Amounts included in net assets without donor restrictions consisted of the following as of June 30, 2023:

Current pension liability	\$ 244,181
Prior pension liability as of July 1, 2022	 222,904
Change recognized in current year statement	
of financial position	\$ 21,277

Net periodic pension cost included the following components as of June 30, 2023:

Interest cost Actual return on Pension Plan assets	\$ 28,927 36,089
Amortization of actuarial loss	 23,716
Net periodic pension cost	\$ 88,732

Assumptions used to determine benefit obligations were as follows as of June 30, 2023:

Discount rate	4.92%
Rate of compensation increases	0.00%
Expected long-term rate of return on assets	5.00%
Measurement date	6/30/2023

Additional year-end information as of June 30, 2023:

Projected benefit obligation	\$ 684,548
Accumulated benefit obligation	\$ 684,548
Fair value of Pension Plan assets	\$ 440,367

The fair values of the Pension Plan assets by asset class were as follows as of June 30, 2023:

	Level 1	Level 2		Total	
Cash and cash equivalents	\$ 5,267	\$	-	\$	5,267
Equity securities	257,646		-		257,646
Fixed income securities	177,454		-		177,454
Miscellaneous	 		-		
Total	\$ 440,367	\$		\$	440,367

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

13. Employee Benefit Plans, continued

The policy of the Pension Plan is to provide for growth of principal through diversification in a portfolio of common stocks, bonds, cash equivalents, and other investments which may reflect varying rates of return. Although there is no specific allocation to cash equivalents, the percentage of total assets allocated to cash equivalents at any time should be sufficient to assure enough liquidity to meet benefit disbursements and general operating expenses.

To develop the expected long-term rate of return on assets assumption, the Organization considered the historical returns and the future expectations for returns for each asset class, as well as the target asset allocation of the pension portfolio. This resulted in the selection of the 5.0% long-term of return on assets assumption for the year ended June 30, 2023.

Estimated future pension benefit payments are as follows for the nineteen-year project period:

Year ending June 30:		
2024	\$	421,749
2025		42,872
2026		41,198
2027		43,499
2028		35,966
Aggregate 5 fiscal years thereafter (2028-2030)		200,546
Total	\$	785,830
TULAI	φ	700,000

14. Commitments and Contingencies

Forgivable Loans

In connection with Avenidas Gardens (Housing Project) located in Chico, California, the Organization executed a promissory note in the original amount of \$250,000 in favor of the City of Chico for the construction of Avenidas Gardens. The note bears 3% simple interest and matures on October 30, 2035. Payments of interest and principal shall be deferred until the Organization sells, refinances, or transfers the Housing Project. If the Organization is in full compliance with the conditions set forth in the loan agreement, the Organization will have no obligation to repay any accrued and unpaid interest. In addition, the principal balance will be forgiven and the loan shall become a grant in October 2025.

In connection with Avenidas Gardens (Housing Project) located in Chico, California, the Organization executed a promissory note in the original amount of \$548,655 in favor of the City of Chico for the construction of Avenidas Gardens. The note bears 2% simple interest from August 2007 through August 2032, and matures on June 14, 2062. The note requires annual payments of \$8,500 payable to the extent of 75% of the annual available residual receipts, as defined in the loan agreement. The payments will be applied towards outstanding interest during the first 25 years. If the residual receipts are insufficient to make the annual interest payment, the unpaid interest shall be deferred. Any accrued and unpaid interest will be forgiven between 2033 and 2043 at the rate of 10% per year. If the Organization is in full compliance with the loan agreement and regulatory agreement, the outstanding balance of the loan shall become a grant and will be forgiven in June 2062. If the Housing Project is sold, refinanced or otherwise transferred prior to the end of the term of the loan agreement, all principal and interest outstanding then shall be due and payable in full.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

14. Commitments and Contingencies, continued

Forgivable Loans, continued

Additionally, in July 2015, the Organization received a direct award from the Department of Housing and Urban Development ("HUD") naming Caminar the recipient of the McKinney Act (Supportive Housing Program) Direct Award in the amount of \$500,000. As outlined in the award contract, this loan will be forgiven over a 20-year period. After the first 10 years, if such project is used as supportive housing, HUD will reduce the percentage of the amount required to be repaid by 10% for each year in excess of 10 years. As such, the beginning balance as reported in the Schedule of Expenditures of Federal Awards was reduced to \$150,000 and the year-end balance, reduced by 10% for the current year, was \$100,000.

Since the merger of P90 in 2018, the Organization is responsible for P90's San Mateo County notes. The total amount of the notes is \$2,222,386. No interest will accrue on the notes and the outstanding balance will be forgiven in five equal 20% shares over the final five years of the 30-year term of the note, as long as the Organization maintains a contact with Behavioral Health and Recovery Services ("BHRS") and continues operating the facility as a residential Substance Use Disorder ("SUD") treatment provider or uses the facility for another public purpose consistent with its non-profit mission, subject to approval by San Mateo County.

Other Contingencies

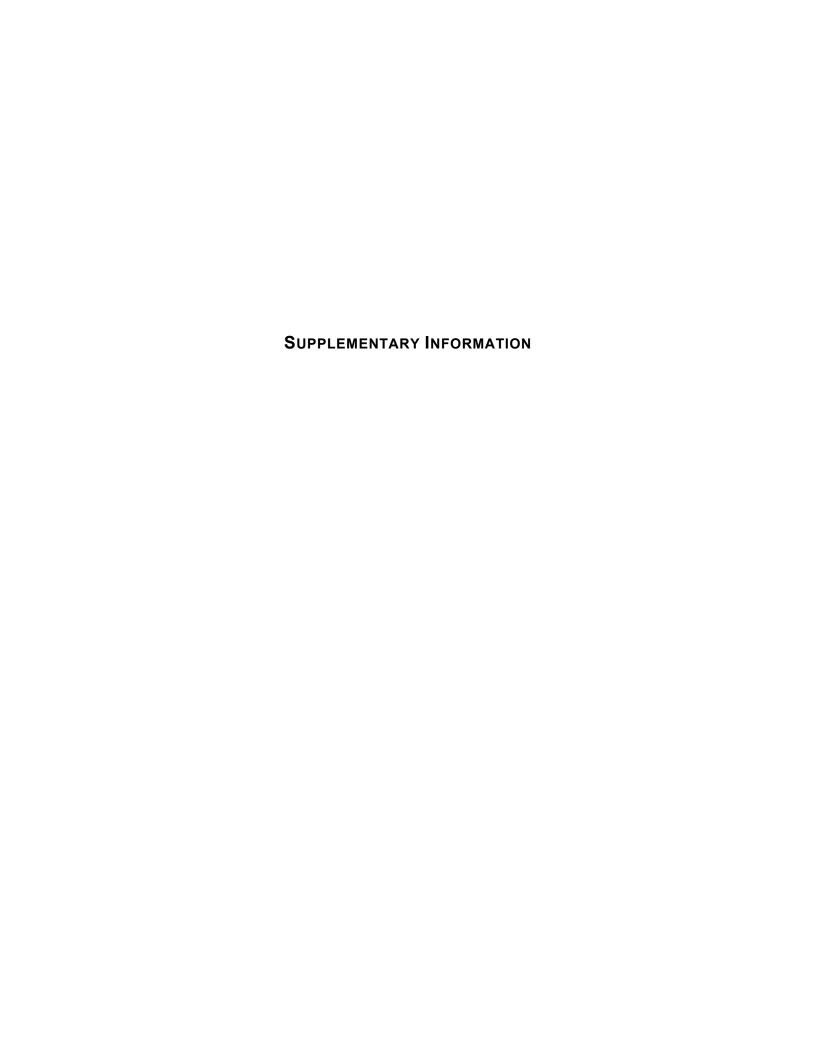

The Organization administers programs which uses funds from various federal, state and local agencies and are subject to financial and compliance review by the grantors. Accordingly, the Organization's compliance with applicable grant requirements will be determined at some future date. Expenditures, if any, which may be disallowed by the granting agencies, cannot be determined at this time. The Organization does not expect that disallowed expenditures, if any, will materially affect the financial statements.

Legal Contingencies

The Organization is involved in various legal actions in the ordinary course of business. In the opinion of management, the outcome of these matters, individually or in the aggregate, would not have a material effect on the Organization's financial statements as of June 30, 2023.

15. Subsequent Events

Management of the Organization has evaluated events and transactions subsequent to June 30, 2023 for potential recognition or disclosure in the financial statements. The Organization did not have subsequent events that require recognition or disclosure in the financial statements for the year ended June 30, 2023. Subsequent events have been evaluated through the date the financial statements became available to be issued on November 21, 2023.

CAMINAR (A CALIFORNIA NONPROFIT PUBLIC BENEFIT CORPORATION)

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

June 30, 2023

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the Organization and is presented on the accrual basis of accounting. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The Schedule presents only a selected portion of the operations of the Organization and is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. Summary of Significant Accounting Policies

Expenditures

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization used the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance for their Housing and Urban Development direct awards and used other negotiated indirect rates for other programs.

Pass-Through Awards

Pass-through entity identifying numbers are presented where available.

Food Subsidies

Nonmonetary assistance is reported in the Schedule at the fair value of the commodities received and disbursed. As of June 30, 2023, the Organization had no food commodities in inventory.

3. Loans/Prior Year Expenditures

The Schedule includes loan balances for prior years for which continuing compliance is required, as follows:

		Balance as of		Balance as of
CFDA		June 30,	Amount	June 30,

		\$ 948,655	\$ (50,000)	\$ 898,655

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITORS' REPORT

To the Audit Committee of Caminar (A California Nonprofit Public Benefit Corporation)

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Caminar, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated November 21, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Caminar's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Caminar's internal control. Accordingly, we do not express an opinion on the effectiveness of Caminar's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Caminar's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Caminar's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To the Audit Committee of Caminar (A California Nonprofit Public Benefit Corporation)

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Caminar's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

BPM LLP

San Jose, California November 21, 2023

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

INDEPENDENT AUDITORS' REPORT

To the Audit Committee of Caminar (A California Nonprofit Public Benefit Corporation)

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Caminar's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Caminar's major federal programs for the year ended June 30, 2023. Caminar's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Caminar complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("Government Auditing Standards"); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Caminar and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Caminar's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Caminar's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Caminar's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Caminar's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
 perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
 evidence regarding Caminar's compliance with the compliance requirements referred to above and
 performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Caminar's internal control over compliance relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances and to test and report on internal control
 over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion
 on the effectiveness of Caminar's internal control over compliance. Accordingly, no such opinion is
 expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

To the Audit Committee of Caminar (A California Nonprofit Public Benefit Corporation)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
